AASL offers a rich variety of products and publications on topics essential to school librarians everywhere.

new from AASL

Ebooks and the School Library Program: A Practical Guide for the School Librarian
Cathy Leverkus & Shannon Acedo

The world of ebooks is both vast and intricate. This guide will help familiarize school librarians with ebooks and facilitate decision-making about their ebook collections in a rapidly changing landscape.

Developing Collections to Empower Learners
Sue C. Kimmel

As collections become increasingly digital and less visible, school librarians will need to find new ways to evaluate their collections and demonstrate their value to stakeholders. Examine collection development in the context of today’s shifts toward digital resources.
