Send a clear message to your stakeholders this school year with AASL’s newest advocacy tools

**Toolkit for Promoting School Library Programs**
Messages, Ideas, and Strategies for Communicating the Value of School Library Programs and School Librarians in the 21st Century

Designed as a web-based tool, this kit features strategies, practical tips and tools, key messages, inspirational stories, and active links to hundreds of resources available online to help school librarians promote the many ways they transform teaching and learning through their library programs. A PDF version of the toolkit with active links for navigation and resources is also available, making it easier to download and share with colleagues in your district.
