Highlights of the Year/Areas of Concern

List Major Activities, Accomplishments with Participation (e.g., Library Legislative Day and number of attendees, legislative successes, new strategic plan, trainings, etc.)

In addition to the Annual Conference and the Spring meeting, which are annual events, the Hawaii Library Association conducted training on RDA. We also created the Karen Peacock Memorial Scholarship, which provides funds for a member of the Pacific Islands Association of Libraries, Archives, and Museums (PIALA) to attend the annual HLA Conference. The first recipient of this scholarship was Atarino Helieisar, current President of PIALA and Chief Law Librarian at the Supreme Court of the Federated States of Micronesia.
List Major Issues Facing the Association (e.g, budget, membership, structure, systems, competition, etc.)

We have instituted a new structure that allows members to create informal groups, instead of having formalized interest groups with Executive Board representation. This was done because, as a volunteer organization, it was becoming difficult to find members for these Board positions. Another related difficulty is that populations of members are located on different islands, which makes it very difficult to recruit leaders from islands other than Oahu, as well as to deliver valuable events and trainings to our Neighbor Island members.
