Accomplishments [at this meeting], a concise account:
The 2011 CORS program “Maybe it has already been done: Locating existing data for planning, assessment and advocacy,” was designed to let people know about various sources of data and where they might find it. It was planned for the beginning practitioner and about 75 attended the presentation. The 2012 CORS program will be on data visualization and will be a 90-minute presentation aimed at intermediate researchers.
