Accomplishments

- Voted to recommend that the ALA Executive Board approve applying the 2016 change in the national average Consumer Price Index (CPI) to adjust personal member dues in the FY2018 budget. This recommendation will be sent to BARC and the Executive Board for review and approval.
- Discussed ways to adjust dues beginning in FY2019. The consensus of the group was to develop a proposal calling for a one-time increase in dues, followed by four years of adjustments based on changes to the CPI. The Membership Committee will continue work on this in the spring.
- Reviewed a draft infographic devised to communicate the wide selection of dues for just about any need/budget – supported by a communications program that illustrates the various types of ALA membership. As needed, the committee will work with and report back to the EDI Implementation Task Force.
