ADOPTED, ALA CD#6.2, ALA Policy 5.3, Council Resolutions: Guidelines for Preparation of Resolutions to Council, as amended to read:

"The following guidelines are addressed to individuals and units preparing resolutions to come before Council.

Definition: A resolution is a main motion, phrased formally, with (a) whereas clauses, (stating the background and reasons for a proposed policy, advocacy position, or action), followed by (b) Resolved clauses in numbered order (stating the proposed policy, advocacy position, or action).

CONTENT:

1. A resolution must be complete so that, upon passage, it becomes a clear and formal expression of the opinion or will of the assembly.

2. Resolutions, including memorials, tributes, and testimonials, must show the initiating unit, mover, and seconder and provide specific contact information from submitting parties. A resolution without a sponsor will not be presented.

3. The resolution should address a specific topic or issue, use concise
direct language, conform to proper grammar, and present an affirmative identifiable action.

4. The terms used in a resolution should be readily understandable or have specific definitions.

5. The intent, objective or goal of the resolution should be clear and purposeful.

6. Resolutions should clearly support ALA's mission, core values and/or strategic directions.

7. All whereas clauses that relate to an ALA policy, must include a parenthetical notation of the title of the policy and the section where it can be found in the ALA Handbook of Organization.

8. If the resolution calls for specific action or program with a timetable, the timetable shall be clear and achievable.

9. Resolved clauses at the end of a resolution gain in clarity, brevity and are easier to read by following the resolution methodology of Congress and other deliberative bodies. The new suggested wording states the resolved phrase only once: "Now therefore be it resolved by the [acting body, e.g. ALA, some committee etc.], that..." after which each separate resolved is stated directly in numbered order without repeating "be it resolved by...".

10. All 'Resolved' clauses within a resolution should also use the objective, rather than the subjunctive (e.g. "Now therefore be it resolved by the [American Library Association], that, 1. Supports... 2. Provides ..." NOT the subjunctive form of the verb "Resolved that the American Library Association, 1. Support... 2. Provide...")

11. If the resolution is addressed to or refers to a specific group or groups, it shall name in full the group or groups in both the 'resolved' and 'whereas' clauses followed by the acronym in parenthesis. Thereafter the acronym may be used.
PROCESS:
1. All resolutions submitted by Council members must be sent to the ALA Resolutions Committee for review and must be accompanied by a completed ALA Resolution Form.

2. All resolutions must be submitted by either a voting member of Council or an ALA Committee chair; memorial resolutions, tributes, and testimonials are exempted.

3. All resolutions, including memorials, tributes, and testimonials, must show the initiating unit, mover, and seconder. Local telephone numbers must be given for movers and seconders.

4. Resolutions must be submitted 24 hours prior to presentation to Council to allow time for reproduction and distribution. If there are fewer than 24 hours between the adjournment of Council II and the convening hour of Council III, resolutions may be submitted within 90 minutes following adjournment of Council II.

5. The Resolutions Committee must submit to the Executive Director and the Budget Analysis and Review Committee (BARC) all resolutions deemed to have fiscal implications at least 24 hours before they appear on the Council agendas so that BARC can provide fiscal information as required in by ALA policy. Standing committees of ALA and Council presenting resolutions to Council will follow the same process of submission to the Executive Director and BARC. Committee resolutions need no second.

6. Memorial resolutions, tributes, and testimonials are submitted to the Resolutions Committee but as not reviewed by the Committee. They will be presented to Council at the beginning of the last session of Council at each Midwinter Meeting and Annual Conference, and to the Membership at the beginning of the last Membership Meeting at each Annual Conference:
   a. If copies are to be sent to other parties, the maker of the resolution shall provide names and addresses.
   b. The Presiding officer will read the names of persons/organizations recognized by a formal resolution; the names will be displayed on the screen and copies of each resolution will be available at the information table.
   c. American Libraries will carry an annual "memorial page"
listing those members who have died since the preparation of the previous Conference Program.

7. All members are urged to submit a resolution or resolutions prior to the Annual Conference or Midwinter Council meetings by communicating the resolution to the chair of Resolutions Committee through electronic mail.

8. The Executive Director shall disseminate all adopted resolutions to identified and pertinent parties. Dissemination should occur as soon as possible, and not to exceed one month without explanation of the Executive Director to Council."

ALA Council II, 9:15am-12:45pm
Tuesday, July 1, 2008
Anaheim Convention Center, Ballroom B/C
Anaheim, CA

ADOPTED, the following four (4) action items contained in ALA CD#17.1, Policy Monitoring Committee (PMC) Report:

Item #1. Consistency of language denoting the library profession. It was brought to the attention of PMC that the ALA Policy Manual utilizes a number of different terms and phrases to describe the profession. At Midwinter, 2008, Council approved an effort to regularize this terminology to "Library and Information Studies" unless use of the term might be awkward or misleading. In examining the occurrences in the Policy Manual, PMC found no instances in which terminology denoting the profession could not be changed to "Library and Information Studies" while still retaining readability and comprehensibility. Accordingly, PMC recommends the following changes in the ALA Policy Manual:

54.1, paragraph 2: CHANGE "librarianship" TO "library and information studies"

54.2.1: CHANGE "master's degree in library science" TO "master's degree in library and information studies."

54.2.2. CHANGE "master's degree in librarianship" TO "master's degree in library and information studies."

55.4, line 1: CHANGE "An institution of library education" to "A graduate program in library and information studies”

56.1, Heading: CHANGE "Graduate Programs in Library Education" TO “Graduate Programs in Library and Information Studies.”

56.1, paragraph 1: CHANGE "graduate library/information science educational programs" TO "graduate programs in library and information studies (LIS)”

56.1, paragraph 2: DELETE "(LIS)”

56.2: CHANGE "ALA-accredited programs of library science..." to “ALA-accredited programs of library and information studies.”

60.5, Heading: CHANGE "Library Education" TO "Library and Information Studies Education”

60.5, line 2/3: CHANGE “graduate library and information science programs” TO "Graduate programs in library and information studies”

Item #2. Updating Policy 55.4. In the process of examining policies for terminology, PMC noted the following wording as the last sentence of Policy 55.4, Standards of Accreditation in Library Education: Appeals Procedure: “The details of the appeals procedure shall be adopted by the Executive Board as implementation of this policy, and the procedure shall be a part of the information supplied to institutions participating in the accreditation process.”

It has been determined that the appeals procedures were adopted by the Executive Board in January 2003. PMC recommends that the final sentence of 55.4 be deleted and replaced with: “Details regarding the appeals procedure shall be supplied to all programs participating in the accreditation process.”
Item #3. Placement of revisions to the Code of Ethics (ALA Policy 40.2)

At Midwinter, 2008, Council approved several revisions to the ALA Code of Ethics. In the document passed by Council, the sections of the Code were numbered as "ARTICLE X, ARTICLE Y, etc.," while the Code itself uses the numbering "1), 2), etc." PMC regards this difference as an editorial matter only, and has substituted the existing numbering system for the one used in the Council document. Otherwise, the changes put forth here are exactly as passed by Council. PMC recommends the following changes to Policy 40.2:

3): DELETE the current wording and REPLACE WITH: “We protect each library user's right to privacy and confidentiality with respect to information sought or received and resources consulted, borrowed, acquired, or transmitted."

4): DELETE the current wording and REPLACE WITH: “We respect intellectual property rights and advocate balance between the interests of information users and rights holders."

5): DELETE the current wording and REPLACE WITH: “We treat co-workers and other colleagues with respect, fairness, good faith, and advocate conditions of employment that safeguard the rights and welfare of all employees of our institutions.”

Item #4. Revised Council Resolutions: Guidelines for Preparation of Resolutions to Council (ALA Policy 5.3). At Council I, Annual Conference 2008, Council approved new guidelines to aid councilors in the preparation of resolutions. PMC recommends that the following text be substituted for the text that currently appears as policy 5.3:

5.3 Council Resolutions: Guidelines for Preparation of Resolutions to Council. The following guidelines are addressed to individuals and units preparing resolutions to come before Council.
