The ALA Website Advisory Committee will present a revised proposal to the Committee on Organization at the 2017 Annual Conference in Chicago.

**2. Renewal of Membership Initiative Groups (MIGs)**

Two MIGs - Diversity and Programming Librarian - were approved for renewal. Both MIGs met the requirements outlined in ALA Policy A.4.3.12:

A Membership Initiative Groups (MIG) is formed when a group of ALA members identifies a common concern or interest about librarianship which falls outside the delegated responsibility of a single division, roundtable, or unit, and wishes to establish a short-term, renewable mechanism to address this concern or interest. To establish a MIG, which must be approved by COO and reported to Council, a group must submit to the Committee on Organization a statement of purpose, at least one hundred signatures of ALA members in good standing, and the names and addresses of designated organizers. Once established, a MIG may operate for three years at which point it may re-petition for another three-year term or may request another place within the ALA structure by following the procedures for establishing that type of group, or may request the ALA COO to disband it. The re-petitioning process can be renewed every three years. If the re-petition process is not carried out when due, the MIG will be disbanded.

COO approved the following minor editorial revisions to the composition of the Committee on Accreditation and to the charges of the Committee on Diversity and the Committee on Literacy.
