Endowment Trustees Report

(Long-Term Investment / Endowment Fund)

Rod Hersberger – Senior Trustee
Sunday – April 17, 2016

Issues Impacting the Market

- First half of quarter (1/1 – 2/14) wrought with recession fears
 - Chinese currency devaluation
 - Soft global growth
 - European immigration issues
 - Japan pushes borrowing rates into negative territory
 - All major market indexes down 10% - 15%
- Second half of quarter (2/15 – 3/31)
 - Dow turns positive for the year @ 3-17-17
 - > Recession fears ease
 - > Commodity prices stabilize
 - > Sharp recovery in crude oil prices (up 53% since hitting a 13 year low on 2-11-16)
 - Riskier asset classes have been recovering since Mid-February
 - S&P 500 up 12% since Mid-February

Issues Impacting the Market (con't)

- Market seems to be stabilizing into a broad trading range
- US economic data is steady, but not spectacular
- Quality large cap stocks remain the investment of choice, but diversity is still required
- Brexit talk has shaken markets and hurt US banks based in London, which may result in renegotiating with the rest of the EU
- Employment fairly stable in most parts of the country with unemployment claims below 300,000 for 58 consecutive weeks – best since 1973
- Federal Reserve hints at intention to hold possible rate increases to 2 during the year vs the expected 4
- Impact of Presidential election still to be determined
- World's leading oil producers hinting at placing a limit on oil production, which will help the market
- Market experts expecting 2016 to mimic 2015 – high volatility, minimal results or change
