Strategic Framework

Over the last two years the ALA leadership has engaged in a series of member conversations, which have included the insights from the divisions, round tables, Council, focus groups and a member survey, that have been synthesized to develop a strategic framework. This framework now guides our Association as we re-conceptualize our focus, structure, operations, culture and highlights three “Strategic Directions.”

Strategic Directions

- ❑ Advocacy
- ❑ Information Policy
- ❑ Professional & Leadership Development

FY16 Budget Development

Using the Strategic Directions as the foundation, the Association's Programmatic Priorities represent the basis for the development of the FY 2016 budget.

Programmatic Priorities

- Diversity
- Equitable Access to Information and Library Services
- Education and Lifelong Learning
- Intellectual Freedom
- Advocacy for Libraries and the Profession
- Literacy
- Organizational Excellence
- Transforming Libraries

Motion
