Instructions: First rate the room overall on how much you like it, where 1 = “Ugly, I would never want to be in this room” and 5 = “My dream room, the best I could imagine.” Under comments, list things you like or don’t like about the room. Think about color, furniture, arrangement of the room, overall atmosphere, warm vs. cool, specific aspects of the room you do or don’t like.

We are going to go through them very quickly, so just put down your first impressions now, and then we will go back and talk about all of them and you can add to what you wrote down.
