FOR IMMEDIATE RELEASE

[Your Library's Name] adds online access to program calendar and meeting room schedule

[City, State] [Date]: Patrons of the **[insert library name]** can now search and register for programs and book a meeting room online, 24 hours a day, 7 days a week. This convenient, up-to-date information is accessible to anyone with access to the library's website **[insert library's URL]**.

View an up-to-the-second program and activity schedule. Simply go to **[insert library's URL]** and click on **[insert appropriate directions]**. The best part, no more waiting in line!

Tired of spending time on the phone going through room availability to book your group's next monthly meeting? View the **[insert library name]**'s room schedule at **[insert library's URL]** and request a room right then and there. It's quick and it's easy.

[Insert quote from staff member if appropriate. Refer to the "News and Events" section of the e•vanced solutions' web page for examples.]

The **[insert library name]** is committed to providing a variety of service options to its patrons, from direct staff assistance to online self-service. Feel free to stop by the library at **[insert address]** for a quick demo or for more information on these or any other library services, contact **[contact name, title], [library name] at [contact's phone number]**.

These solutions were provided by *e•vanced solutions*, inc. a leading provider of web-based software solutions for library event management, meeting room reservation management, study room booking, genealogy, and reading program management. Visit them at www.e-vancedsolutions.com.
