Information for Chapters Council Officers

If you are a new Chapter Council Officer, we encourage you to review the ACRL Orientation Toolkit for New Chapter Leaders / Representatives to Chapters Council, as well as the responsibilities outlined in this document for Chapter Council Officers.

Composition of Chapters Council
Chapters Council consists of the President and Vice-President of each ACRL Chapter (each of whom must be a member of ACRL National), or a delegate who is a member of the Executive Board of the Chapter. Council members must be members of ACRL and knowledgeable about both Chapter and ACRL activities.

Officers of Chapters Council
The Chair, Vice-Chair/Chair-Elect, and Secretary serve as the Chapters Council Executive Committee, and are elected by the Chapters Council from among the Chapters Council delegates. The Executive Committee plans the agenda of the Midwinter and Annual Meetings of the Chapters Council and submits Chapters Council recommendations to the ACRL Board of Directors.

ACRL Relationship to Chapters
ACRL Bylaws make it clear that Chapters are separate organizations interested in academic and research libraries that request affiliation with ACRL. In other words, ACRL recognizes Chapters if they meet certain criteria. ACRL affiliates with the Chapter; it does not, however, establish the Chapter as an organization, it does not control it, and it is not responsible for its actions.
