What can we do besides this award?

Leadership promotion

What is cultural leadership

Are there different skills for different levels of leadership Award is \$3000 What are the tools avail

ALA connect but what else exists

Did this committee form as a way to promote the award

What are other ways this committee could be active

How to advise and review the reward--transferable

Could the fund travel for award

What is the motivation for applying

What is it mentioned

What do we mean by innovative

Transferable

What is a college library

Teaching library vs a research

Cool Award--pro quest-

Changing your environment

Resourceful thinking outside the box

What is new or different about this change Modeled by others

Why

How

Results

Did they include how it might be transferrable Heres the takeaway Target directors-- Could we see if proquest

Is there there a way to split the award to target smaller Schools

Should be it's own program.

Have the program attached to the award--winners need to present in person or virtually

Leader

Every recipient needs to have a video clip about the project either

Option to add this as part of the award

Prof. Development--leadership

Lama programs--what is the niche for this small group Connecting things to good programs seems to be the key for this team

Program committee, professional development and leadership

Review

Start advertising now!

What changes can we make and what needs to be approved and by whom How do we make it more findable on google, site, etc

Look at the minutes for 5 years of experience--could we change this to 2-3 years?

Why is that included--can we eliminate that?

Union college--what did the do to win the award? Can we use this as an example for small colleges?
