Let's have some fun!
Here are some activities to enjoy as you help everyone – young and old – learn to count in the 2020 Census.

Make Sure to Count Your Children in the 2020 Census

www.wecountkids.org

Can you count from 1 to 10? How many people are in your family? What color is that number?

Fill in the puzzle so that every row across, every column down and every 2 by 2 box contains the numbers 1 to 4.
