Sample posts

This may be our final chance to see libraries included in COVID-19 recovery legislation - @RepAndyLevin and @SenJackReed's Library Stabilization Fund Act would provide critical funding to support libraries across the country. Take action to keep #LibrariesStrong and urge Congress to support this bill:

I've just done my part to help support libraries, can you take action with me? Urge your Members of Congress to support the Library Stabilization Fund, legislation that would provide \$2 billion in recovery funds to libraries. Stand with me and keep #LibrariesStrong: <https://cqrcengage.com/ala/app/take-action?engagementId=508533>

Libraries across the country are looking for support - the Library Stabilization Fund Act is the support they need. Urge Congress to support this critical legislation that would provide \$2 billion in urgently needed funding. Take action to keep #LibrariesStrong: <https://cqrcengage.com/ala/app/take-action?engagementId=508533>

.@[Your Rep/Senators] It's critical that you support the Library Stabilization Fund Act, legislation that would help libraries deliver important services while retaining their budgets and staff. Urge your own Members of Congress to support this bill: <https://cqrcengage.com/ala/app/take-action?engagementId=508533>
