Public Challenges
Verified by a third party

Reported Challenges
Includes non-books; databases, filtering, disinvited speakers, programs and social media

46 CHALLENGED TITLES are listed in the Field Report 2016

323 CHALLENGES were reported to the American Library Association in 2016
Some are confidential because librarians fear losing their job.
The Top Ten list is calculated from Reported Challenges.

Silent Challenges
82-97% of challenges remain unreported

There may be many as 10,766 challenges every year
