

Warm Up Exercise @ your library™

To begin making powerful connections @ your library™ answer the following questions:

1. Identify an audience (person or group) with which you would like to make better connections and collaborate:
2. Why is it important to collaborate with this audience? How would it benefit them? How would it benefit you? (matching agendas)
3. What are some ways to begin to make those connections and move them to a higher level? (Identify the level of your planning: Cooperation, Coordination, Collaboration for each step).

Step 1:

Step 2:

Step 3:

4. What is the @ your library™ message that you could use to match this plan?

Discuss with your team your responses and choose examples of 1-2 ideas that you, as a group, feel are exemplary and why:
