

Budgeting That Impacts Student Learning

**AASL Exploratorium
Pittsburgh, 2005**

Presented by:

Jacqueline C. Mancall, Ph.D.

Sandra Hughes-Hassell, Ph.D.

Drexel University

College of Information Science & Technology

Philadelphia, PA 19104

Based on concepts, tools, and strategies as featured in

Collection Management for Youth:

Responding to the Needs of Learners

Chicago: ALA, 2005.

Steps in Budgeting for a Learner-Centered Environment

Step 1: Understand funding.

Step 2: Set collection management goals.

Step 3: Establish yearly budget priorities.

Step 4: Analyze current collection support.

Step 5: Develop a one-year proposal.

Step 6: Present the budget.
