Open Gaming Night, Saturday at 6:30 p.m.

LITA's Opening Gaming Night is your chance to experience the thrills, chills, and occasional spills that are part of gaming @ the library. If video games intrigue you, try your hand at tennis, learn to sing and dance like a rock star, or drive a high octane race car. Board games are your chance to show off your strategy skills, demonstrate your dexterity, and finally to outwit your colleagues.

Networking Dinners, Saturday

Check the bulletin board at the registration desk for times, locations, and sign up sheets.

For the 9th year in a row, Veicon Technology, makers of Oasis, is providing email equipment and terminals. Email access will be available in Salon D/E on the fourth floor of the Hilton Netherland Plaza hotel. A schedule of open hours will be posted at the Forum registration desk and outside the room.
