

NISO at the crossroads

Update for LITA Standards Interest Group
Pat Stevens, NISO
January 21, 2006

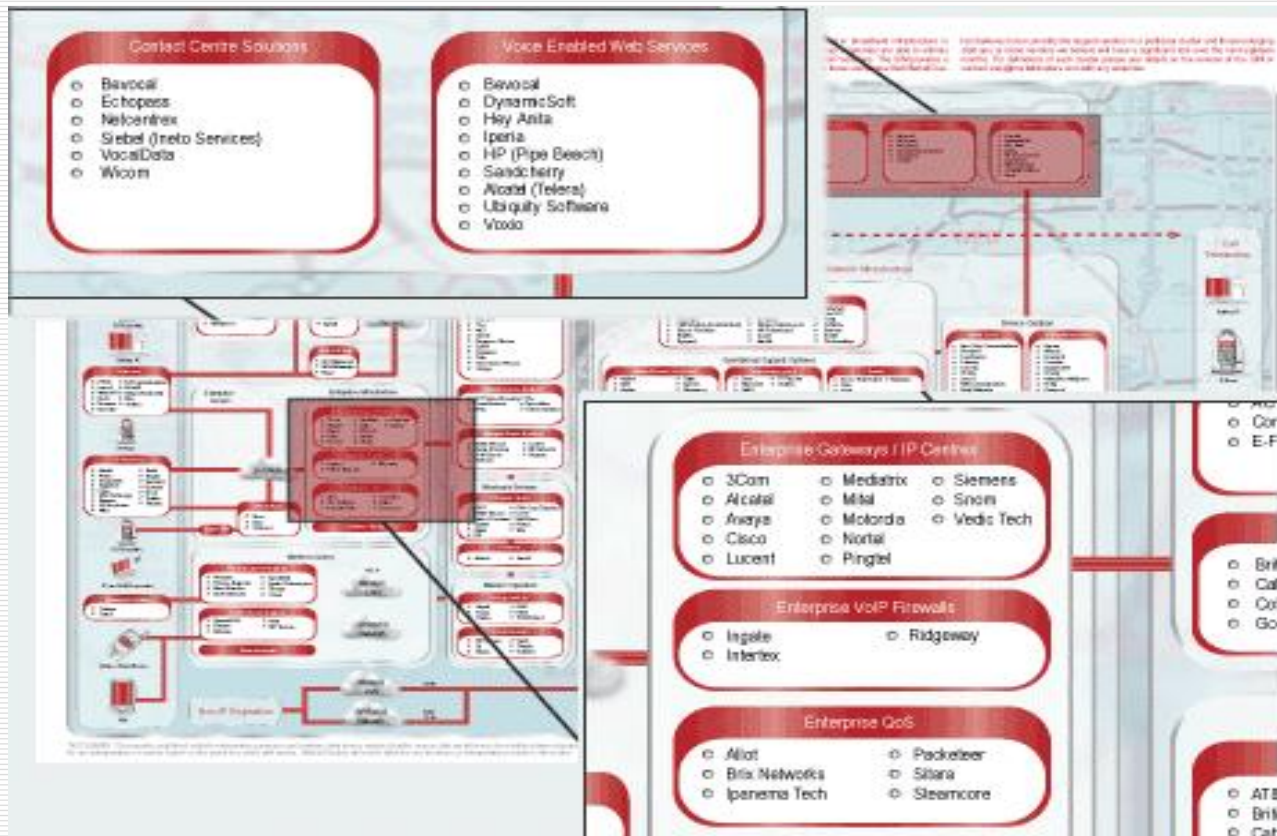

Mission

NISO fosters the development and maintenance of standards that facilitate the creation, persistent management, and effective interchange of information so that it can be trusted for use in research and learning

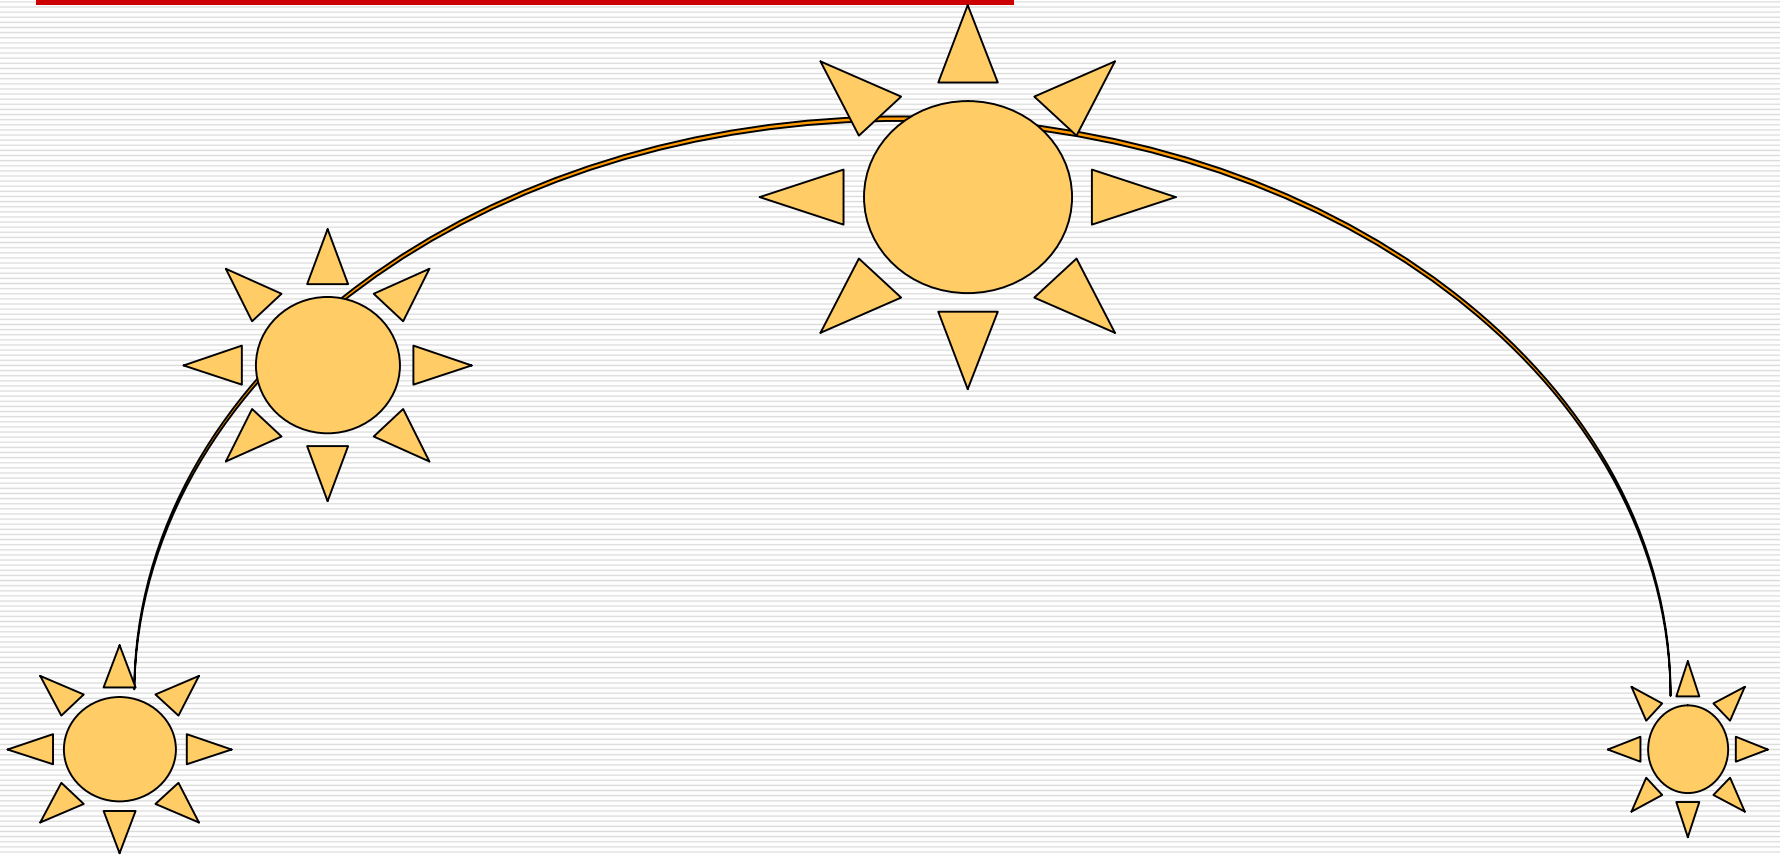

NISO works with intersecting communities of interest

NISO uses strategic map for direction setting

NISO works across the full lifecycle of a standard

Towards a new process

From NISO Standards Development
Process Review and Recommendations

By Roy Tennant

California Digital Library

Dec. 15, 2005

Specific Recommendations to the Board

- Maintain architectural overview
- Replace SDC with standing committees
- Ask members to register areas of interest
 - Members only vote in those areas
- Create a standards path that anyone can use
- Hold a substantial annual meeting
- Hire a Standards Co-ordinator
- Expand patent policy

Your Thoughts Requested
