RE: Meeting Room Locations, Washington DC, June 2007

DATE: April 9, 2007

Attached is the schedule of meeting room assignments for the ALA Annual Conference in June. Please look over this information immediately. Any changes you may have are due on **April 11, 4:30 CDT**. However, when making your changes, please be aware of the following availabilities:

There are 10:30-12 and 4-5:30 time slots still available on Saturday, June 23, but no 8-10 or 1:30-3:30 slots available.

On Sunday, 6/24, there are a few 8-10, 1:30-3:30 and 4-5:30 slots still available but no 10:30-12 slots. **Note that available slots are for small committee meetings only on both days. Also note that there are no slots available in the convention center or the co-headquarters hotels on Saturday and Sunday.**

There are all time slots for all sizes of meetings on Friday, 6/22, and some slots for small committee meetings on Monday, 6/25.

If you have title changes please **email your request to Ymclean@ala.org and include the 6 digit meeting number, the time, the date, the location and room. Title changes without this information included will not be accepted.**

Wherever **possible** we honored co-location requests. Please note that programs took up most of the larger space in DC. Consequently, some of the larger hollow square and ushape meeting room **sets maximized most of the space in a meeting room, particularly in the convention center, and as a result perimeter seating, in some cases, was not possible and in some instances, these sets were slightly reduced in numbers.**

Listed below are the convention center/hotels and their abbreviations that are being utilized for meetings during Annual Conference:
