

for Teen Tech Week™

Teen Tech Week is a celebration of the technology you love to use @ your library®, including playing video games, chatting on the Web, listening to mp3s and more.

During Teen Tech Week, libraries across the nation encourage teens to explore technology and learn something new. Visit your school or public library to find out how you can celebrate Teen Tech Week or get started right away with a list of 25 celebration ideas. Tune in @ Your Library is the 2008 Teen Tech Week theme and the celebration takes place March 2-8.
