DRAFT OF MOTION:

Move to accept the attached Skeleton Schedules for the 2008 Midwinter Meeting and Annual Conference.

DATE: *1/21/2007*

BACKGROUND:

Each year the ALA Executive Board must approve the Skeleton Schedules for the Midwinter Meeting and Annual Conference before the scheduling of events can begin. These schedules form the basic structure for the entire event and all the ALA Units and other entities contributing to the conference or meeting base their schedules upon the approved Skeleton Schedule. Therefore, we ask the Executive Board's approval on the attached. It is basically the same schedule that was used for the 2007 Annual Conference and Midwinter Meeting.
