## November FY 2006 Financials

Executive Summary - continued

- Based on $1^{\text {st }}$ quarter performance, revenue is expected to reach budget levels in the General Fund. Areas to monitor throughout the year include dues income and advertising sales in American Libraries. Expenses are projected to also be on budget for the year. Midwinter expenses are projected to be on budget, however, buses may exceed budget.

## OPERATING FUND

General Fund
Total revenues of $\$ 4,720,818$ are $\$ 428,931,8 \%$ less than budget. Revenues are basically even with FY 2004 at this time.
Publishing revenues are less than the budget by $\$ 377,308$ due primarily to ALA Editions, Booklist and Book Links. Note: The Publishing net revenue for November year-to-date is less than budget by $\$ 170,190$, reaching $\$ 368,392$. Dues income is less than budget by $5 \%$, or $\$ 70,618$, totaling $\$ 1,313,130$, however, the December renewals are showing strong activity.

Total expenses of $\$ 5,292,216$ are $\$ 842,079$ or $14 \%$ less than budget. Member Programs and Services expenses are $\$ 197,450$ less than budget due primarily to Midwinter and Annual Conference ( $\$ 83,636$ ) and Midwinter $(\$ 77,667)$. Note: Communication expenses are $\$ 76,734$ less than budget and Publishing is $\$ 207,118$ less than budget. Business Expenses are $\$ 55,663$ less than budget due to timing of audit fees and insurance. Executive Board and Council committee expenses were $\$ 75,646$ less than budget. Salary savings for the year total $\$ 690,817$, of which savings for the year were budgeted at $\$ 611,009$. Transportation and lodging expenses are $\$ 48,905$ less than budget and telephone and postage expenses were $\$ 11,964$ less than budget.

Over the last several months, staff analyzed the replacement costs of ALA facilities as part of the insurance coverage for FY 2006. Staff elected to place all insurance on a December to December premium payment cycle. As a result of the increase in property values, including the recent purchase of 1615 New Hampshire Avenue, the property insurance will increase $\$ 12,583$. Total estimated premiums are projected to be $\$ 13,000$ over budget.

## Round Tables

The Round Tables revenues of $\$ 46,282$ are $\$ 19,119$ less than budget due primarily io lower donations and registration fees. Expenses of $\$ 22,790$ are less than budget by $\$ 15,053$ due primarily to lower conference equipment and meal function expense.

## 1

## Plant Fund

Depreciation expense of $\$ 81,016$ is $\$ 38,441$ under budget. The Plant Fund transfer is $\$ 280,553, \$ 107,137$ under budget, and is now being recorded monthly as a credit to the Plant Fund with an offsetting charge to the General Fund.

## COMMUNICATIONS AND MARKETING

Total revenue reached $\$ 1,341,825$, which is $\$ 43,423,3 \%$ less than budget. Dues income is $\$ 1,313,130$, which is $\$ 70,618,5 \%$ less than budget. Total membership is 67,241 increasing 1,616 as compared to August 2005. Division members total 63,834 increasing 810 and round tables total 15,234 increasing 567.

Total expenses are $\$ 692,295$, which is $\$ 76,734,10 \%$ less than budget.

## PUBLISHING SERVICES

ALA Editions had an unusually bad November that seemed to be PBS related. Then, a very good December. In addition, there was a discrepancy of $\$ 50,000$ that may have gone from Graphics to Editions. In all, Editions is about $\$ 100,000$ less than budget through December and should continue to improve to budget.
Graphics is $\$ 39,000$ less than budget through December.
Booklist ads are $\$ 106,000$ more than budget through December.
Book Links is $\$ 21,000$ less than budget.
American Libraries is $\$ 50,000$ less than budget in display ads, $\$ 20,000$ more than budget in classifieds.
See no reason why the department wouldn't make budget by year-end.

## MEMEBER PROGRAMS AND SERVICES

First quarter results often do not provide a clear picture of the year ahead. Acknowledging the unquestionable challenges in FY 2006, there are, however, some reasons to be guardedly optimistic, from the perspective of the MPS units.

- ALA Conference Services anticipates hitting net revenue targets for the San Antonio meeting. Registration is near its revenue target ( $96 \%$ ) without on-site registration. Exhibit sales are fractionally over the $100 \%$ mark. Advertising sales are good, though donations are down slightly due to a late cancellation. Audio-visual should come in on budget, thanks to the cooperation of many.
- The Office for Intellectual Freedom is well ahead on its revenue budget, attributed primarily to a strong performance from Banned Books Week.
- Registration for PLA's National Conference in March 2006, is running well ahead of same-time registration for Seattle.
- AASL had a strong National Conference in Fall 2005.
- Both ACRL and ACRL/CHOICE have positive variances in net revenue at the end of the first quarter.

## STAFF SUPPORT SERVICES

Units: Staff / Office Support Services, Distribution Center, Reprographics Center \& Buiiding Maintenance Contractor Services; Security \& Janitorial Services.

For the three months ending November 2005 all units generated a variance of $\$ 5,160$ under budget. The annual budget for the Election Process is $\$ 206,500$. With the total budget applied and all invoicing processed, we are projecting a yearend variance of a $<\$ 25,000>$ over budget for Election Process. All other units reporting are within operational budget and projecting a $2 \%$ year-end results less then budget, with the exception of the Election Process. Regarding the Election Process, the FY 2007 cost will be significantly reduced by $\$ 36,000$ to $\$ 40,000$.

## GRANTS AND AWARDS (RESTRICTED FUND)

Revenues and expenses of $\$ 412,065$ are $\$ 166,889$ less than the budget due to timing of several grants, most notably IMLS Spectrum/New Voices New Vision, $\$ 67,592$, NEH-We the People, $\$ 78,420$ and Library Champions, $\$ 40,002$, less than budget. Note: Grants and Awards generated 49\% or $\$ 399,219$ under the FY 2005 actual.

Excess salary savings including temporary help and overtime is $\$ 692,212$, which is $\$ 81,203$ more than the projected goal.

INCOME

Year-to-date interest on short-term investments is $\$ 146,023, \$ 39,025$ less than the budget of $\$ 185,048$.
The actual average invested balance for the three months ending November 30, 2005 was $\$ 14,903,318$ with a yield of $3.92 \%$. In comparison, at November 30, 2004 the actual average invested balance was $\$ 16,335,366$ with a yield of $3.40 \%$. As of November 30, 2005 the net realized/unrealized gain <loss> on the investment managed by Neuberger Berman was a net loss of $\$ 146,645$, as compared to the $\$ 335,211$ cumulative loss at August 31 , 2005. The net year-to-date loss is comprised of $\$ 32,577$ of realized losses and $\$ 153,668$ of unrealized losses. According to the Association's investment policy, any realized and unrealized gains and losses at year-end becomes a component of the appropriated fund balance and as such is carried forward in the fund balance to subsequent fiscal years.

GENERAL ADMINISTRATION

Washington Office Administration is $\$ 31,393$ under budget for the month of November and is $11 \%$ under budget for year to date expenses. This is due primarily to a $\$ 22,000$ payment for our new Vocus congressional database being made in October that we expected to pay out in November. Even though vendors and other billing agencies were notified about our change of address, we are still receiving invoices that are being forwarded from our old address. This is affecting, somewhat, the timing of some bill payments which will be reflected in the monthly budget figures for at least the next few months.

OGR is $\$ 28,970$ under budget for the month of November and is $21 \%$ under budget for the year to date. The expected payment of a quarterly legal fee in November will be reflected in the December financials.

OITP is $\$ 4,488$ over budget for the month of November and $36 \%$ over budget on year to date expenditures. This overage is in the professional services account line and is attributed to the signing and payment of new contracts. Higher contract fees were paid in the early part of the fiscal than was planned. Remaining payments are expected to be within planned budget.

At November 30, 2005, total overhead recovery of $\$ 1,195,423$, is $\$ 18,501$ more than the budget of $\$ 1,176,922$ The overhead recovery is more than budget in Graphics, AASL and Annual Conference, offset by less budget recoveries in ALA Editions, ALSC and ALCTS.

Expenses total $\$ 123,900$, are $31 \%, \$ 55,663$ under budget due primarily to lower audit, depreciation and bank fees.

This category consists of employee benefits expense, the Executive Director's Contingency Fund and several other accounts. The majority of the $\$ 45,446$ variance to budget relates to expenses in the employee benefits area and the Executive Director's Contingency Fund (due to the timing of budget vs. actual). While total benefits expense actually incurred is $\$ 930,644$ as compared to the budget of $\$ 864,779$, the variance is increased by lower than budgeted benefit charges to ALA units, $\$ 816,078$ actual as compared to the budget of $\$ 864,779$. In addition, FICA taxes are $\$ 34,981$ under budget and health insurance is $\$ 143,375$ over budget.

## American Library Association <br> Schedule 2B - Commentary: Statement of Revenues and Expenses - Communications \& Marketing <br> November FY 2006 Financials

## Library

The Library, at the end of the first quarter FY06, was $6 \%$, or $\$ 8,127$ underspent. The largest negative variances are in Professional Services and Operating Supplies, which in the Library are standing orders for reference materials.

For Professional Services, there were larger than anticipated price increases in two electronic reference tools, and four months' worth of OPAC support fees were charged in September. Thus, the variance will remain through the year, but will not increase, as all the subscription fees are paid.

Operating Supplies is underspent, which is likely a timing issue, in terms of when the various update volumes are shipped. (Several large invoices were signed in December.)

It should be pointed out that already $87 \%$ of the Library budget is committed--for salaries, subscription payments, or services fees, making any significant in course adjustments difficult, if not impossible.

## Public Information Office

PlO actual expenses through November is $\$ 132,140$ against a budget of $\$ 158,572$. Most likely conference costs will reduce the $\$ 26,432$ positive variance. In the next months the departmental expenses will reflect the planned budget.

Campaign for America's Libraries annual budget is $\$ 300,000$. Through November, the Campaign has spent $\$ 56,000, \$ 19,000$ less than budget. Expect that gap to close due to conference and other initiatives in the next two months.

## Office for Research and Statistics

Salary expenditures $(5000,5002,5005)$ ORS anticipates no salary savings in FY06, and is concerned about the Salary/Attrition Factor. There is no anticipated vacancy, so the only place to recover this is through expense transfers from ORS to NCES-ALS. This will only appear at the end of FY06.

Staff Development (5031) The unit anticipates fully spending down the staff development account to attend and present a paper at the Depository Library Conference in April 2006 (Seattle, WA) and for software training.

Program Awards (5306) The funds carried forward issue is under review by Accounting, but appears to be present in the November report (was not present in the September or October reports).

Awards - Baber The award remains under-funded, with only $\$ 412.75$ in the spending account (the award is $\$ 3,000$ ). The Fyan spending account has a little more than $\$ 4,600$ and needs $\$ 10,000$ to make an award. As was raised in $F Y 05$, significantly reduced interest and dividends to the principal accounts are impacting the spending accounts. In both cases, awards can only be made by moving money from principal to spending accounts. We need to work with the finance staff to develop a plan.

The Baber and Fyan spending accounts have insufficient funds to make awards unless funds are transferred from principal to spending. Will need to follow up on this after the MW meeting in San Antonio. The Awards files are incomplete on how to deal with such a matter with these spending accounts.

Salary Survey Project The FY06 surveys are in development. The last invoice to UIUC for FY05 work has been processed for payment.
Revenue No revenue for this reporting period.

## Public Programs Office

November budget commentary PPO: General Fund net revenue/(expense) variance is ( $\$ 2,514$ ) or $8 \%$, due to mischarged items that will be reversed in December. Restricted fund overhead is behind budget by $\$ 9,390$ due to timing. CCF endowment fund net asset balance will be updated in December (estimate $\$ 375,000$ ).

## Member and Customer Service

Currently the MACS Department expenses are less than budget by $10 \%$. Current expenses total $\$ 134,031$ compared to the budget of $\$ 149,394$. Savings are, in part, due to salary savings with one open position, which we are looking to fill in the near future.

Miail Service charge and postage will even out in the near future. This time period encompasses major membership renewal. It is hoped that there will be a decrease in the number of printed renewals as individuals become more familiar with the online renewal process.

## Intemational Relations Office

IRO is $\$ 15,000$ over budget in revenue due to a donation that was presented to IFLA to support an international information literacy program that was part of the World Summit on the Information Society. Net revenue/expenses are $\$ 3,480$ or $6 \%$ under budget.

## Chapter Relations Office

CRO is $\$ 5,000$ over budget in revenue due to Worldbook grant funds for a Leadership Toolkit. Through November net revenue/expenses are $\$ 3,822$ or $18 \%$ under budget.

## Schedule 6-Commentary: Balance Sheet - Total ALA

## November FY 2006 Financials

ASSETS At November 30, 2005, total assets of $\$ 56,324,106$ are $\$ 4,609,882$ more than the total at November 30, 2004. This is a result of increases in long-term investments (D), and property, plant and equipment (E), offset by decreases in cash and short-term investments (A), net accounts receivable (B) and inventories (C).
A. Cash and Short-Term Investments: Cash and short-term investments of $\$ 16,804,444$ at November 30, 2005 are $\$ 2,598,081$ lower than at November 30, 2004.

|  | YTD | YTD | YTD |
| :--- | ---: | ---: | ---: |
|  | AVG. BALANCE | INTEREST INCOME | $\frac{\text { YIELD }}{}$ |
| FY 2005 | $\$ 16,335,366$ | $\$ 138,673$ | $3.40 \%$ |
| FY 2006 | $\$ 14,903,318$ | $\$ 146,023$ | $3.92 \%$ |

The FY 2006 yield and year-to-date interest income is higher than FY 2005. See Schedule 2 explanation for additional investment information.
B. Net Accounts Receivable: Net accounts receivable of $\$ 3,517,074$ at November 30, 2005 are $\$ 689,996$ lower than the balance of $\$ 4,207,070$ at November 30, 2004. The decrease is the result of a lower balance in PBD billings, mainly book sales offset by a lower reserve for bad debts. At November 30, 2005, total trade receivables were $\$ 2,665,977$ as compared to $\$ 2,426,157$ in FY 2004. Reserves for bad debt decreased $\$ 179,787$.
C. Inventories: While net inventories decreased by $\$ 68,469$, the gross inventory balance decreased by $\$ 52,625$ to $\$ 1,648,630$ at November 30, 2005 from $\$ 1,701,255$ at November 30, 2004. ALA Editions finished goods has a $\$ 72,537$ decrease and Graphics has a $\$ 46,015$ increase. ALA Editions work-in-progress has a decrease of $\$ 2,696$. On a net basis, the reserves have increased \$15,844 at November 30, 2005.
D. Endowment Investments: Long-term endowment investments of $\$ 25,186,236$ at November 30, 2005 are $\$ 2,950,833$ higher than at November 30, 2004, primarily as a result of market conditions.
E. Property, Plant and Equipment: Property, plant and equipment, net of depreciation of $\$ 8,445,067$ at November 30, 2005 is $\$ 4,639,318$ higher than at November 30, 2004 mainly as a result of the purchase of the $D C$ property.

At November 30, 2005, total liabilities of $\$ 28,905,102$ are $\$ 1,223,893$ higher than total liabilities at November 30,2004 primarily due to increases in (B) deferred revenues - grants and awards, D) deferred revenues - membership dues and deferred revenues (A) meetings and conferences offset by a decrease in ( $E$ ) deferred revenues - subscriptions and ( $C$ ) accounts payable.
A. Deferred Revenues - Meetings and Conferences: At November 30, 2005, deferred revenues for meetings and conferences totaled $\$ 4,651,004$ as compared to $\$ 3,371,900$ at November 30, 2004. At November 30, 2004, Midwinter deposits were $\$ 1,656,025$, Annual Conference, $\$ 601,965$, PLA National Conference, $\$ 287,315$, ACRL deposits are $\$ 448,040$, and AASL (October 2005) deposits are $\$ 337,154$.
