

## Mad Lib @ your library®

This summer I can hardly wait to go to the library. Last year, I checked out this awesome book called The \_\_\_\_\_ *(adjective)* \_\_\_\_\_ *(noun)* and the Great \_\_\_\_\_ *(color)* \_\_\_\_\_ *(animal)*. It was so \_\_\_\_\_ *(adjective)* that I ran over to my best friend's house to show her. We laughed at the picture of the \_\_\_\_\_ *(adjective)* \_\_\_\_\_ *(different animal)*! I read the whole book in \_\_\_\_\_ *(number)* hours!

When I returned the book, I asked the librarian, Mr. \_\_\_\_\_ *(name of bug)* – \_\_\_\_\_ *(article of clothing)*, for another one that was just as funny as the first one. He gave me 10 books that he thought I'd really love.

I also love going to the library to get movies and music. My favorite movie from the library is \_\_\_\_\_ *(number)* \_\_\_\_\_ *(noun)* Go To the \_\_\_\_\_ *(fun place to visit)*. It has a great scene where the \_\_\_\_\_ *(plural noun)* go play \_\_\_\_\_ *(outdoor sport)* in a \_\_\_\_\_ *(body of water)*! I wish I could do that, too.

My favorite band is The \_\_\_\_\_ *(adjective)* \_\_\_\_\_ *(type of lizard)* and their new CD, The Land of Oz, is great. I borrowed it from the library and listened to it every day.

My library has lots of great programs during the summer, too. The best program that I went to taught me how to build a \_\_\_\_\_ *(thing)*. Mine turned out really well and I loved to \_\_\_\_\_ *(verb)* my little brother around the \_\_\_\_\_ *(place)* with it!
