Celebrate National Bookmobile Day Wednesday, April 22, 2020

For over a century, bookmobiles have delivered the world to their communities. Providing books, technology, and resources for lifelong learning, bookmobiles play an important and integral role in delivering library services in the United States.

Instructions: First, make eight vertical cuts, connecting each dotted line along the top to the corresponding line along the bottom. Second, cut off the remaining white margin on the top and bottom of each bookmark.
