# About ALA

The American Library Association (ALA) works for students by advocating for increased library funding and the ongoing development of the profession. Through our accreditation program, ALA ensures that the training you receive will prepare you for your chosen career.

## Job Resources

ALA will help you with resources to find your first job and to remain competitive. ALA student members have access to the best network of career and professional development resources for library workers.

## Divisions and Round Tables

You need more than classwork to be fully prepared for your career. Joining ALA divisions and round tables is an excellent way to build experience in your specialty by meeting and working with longtime professionals. Student members can take advantage of ALA resources like résumé review services, job placement events, and car & home insurance.
