About ALA

The American Library Association (ALA) works for students by advocating for increased library funding and the ongoing development of the profession. Through our accreditation program, ALA ensures that the training you receive will prepare you for your chosen career.

Job Resources

ALA will help you with resources to find your first job and to remain competitive. ALA student members have access to the best network of career and professional development resources for library workers.

Divisions and Round Tables

You need more than classwork to be fully prepared for your career. Joining ALA divisions and round tables is an excellent way to build experience in your specialty by meeting and working with longtime professionals. Student members can take advantage of ALA resources like résumé review services, job placement events, and car & home insurance.

To learn more about ALA and our divisions or round tables, visit www.ala.org or call 1-800-645-2433, ext 5.

About ILF

The mission of the Indiana Library Federation is to foster the professional growth of its members and to promote all types of libraries in Indiana. The hundreds of members of ILF are essential to our success in advocating for the future of Indiana libraries.

ILF Interest Groups

ILF student membership empowers you to participate in a wide range of professional issues, from standard library practices to emerging areas of innovation. The Indiana Library Federation offers round tables for the librarians' every role, as well as statewide associations by library type and geographic districts that combine all types. Every group offers opportunities to connect with other students who have similar interests and veteran professionals who can become resources, mentors, and even potential employers.
