About ALA

The American Library Association (ALA) works for students by advocating for increased library funding and ongoing development of the profession. Through our accreditation program, ALA ensures that the training you receive will prepare you for your chosen career.

We will help you with resources to find your first job and to remain competitive. ALA student members have access to the best network of career and professional development resources for library workers.

You need more than just classwork to be fully prepared for your career. Joining ALA Divisions and Round Tables is an excellent way to build experience in your specialty, meeting and working with longtime professionals. Student members can take advantage of ALA resources like our résumé review services, job placement events, and medical, dental, and life insurance.

To learn more about ALA and our Divisions or Round Tables, visit www.ala.org or call 1-800-545-2433, ext 5.
