BIBLIOGRAPHY OF THE HISTORY OF BOOKS, READING, AND BOOK CULTURE PUBLISHED IN
THE LIBRARY HISTORY ROUND TABLE NEWSLETTER (2005-2012)

Joel Fishman and Edward A. Goedeken

Professor Edward Goedeken, Humanities Bibliographer at the Iowa State Library, has since 1990 compiled a semi-
annual listing of library history that is published in the Library History Round Table Newsletter. Since the
publication of the last five-year bibliography covered 2000 to 2004, there was the need to update the bibliography
for 2005 to the present. As a law librarian and historian, I recognize Professor Goedeken’s impressive bibliographies
serve as an important contribution to library history literature and therefore an update was needed to cumulate the
fourteen issues already published. This is the second annual bibliography update covering from 2005 to 2012.
Similar to the previous bibliographies, the compiler has cumulated the bibliographies by geographic location. In
compiling the bibliography, there have been a few typos corrected and deletion of duplicate entries. I wish to thank
Professor Goedeken for permission to recompile his bibliographies.
