Intellectual Freedom Highlights [READ MORE](#)

- [The State Of HTTPS in Libraries](#) | Intellectual Freedom Blog; "The question which needs to be answered is, why, with so many tools available are libraries lagging behind in implementing HTTPS on library web servers?"
- [Your library is unclean!: An interview with Kristin Pekoll](#) | Intellectual Freedom Blog; "A book challenge is incredibly isolating. You feel as though everyone is staring and judging. You feel as though every professional skill you learned is being questioned. You have very little control or influence on the outcome of the challenge and even your job. Organizations can provide experience — someone who has been there and gone through what you've gone through."
