November 17, 2017 - Collated by [OIF Staff and News Interns](#)

****Note:** The Intellectual Freedom News will not be published next week so our fantastic staff and interns can enjoy their Thanksgiving holiday. We will resume publication on December 1.**

Intellectual Freedom Highlights [READ MORE](#)

- [Responding to database challenges](#) | Intellectual Freedom Blog; "EBSCO is an online database company whose products are in thousands of schools, colleges and universities' around the world. In September of 2016, the products they developed for the K-12 market came under attack in Colorado and Alabama. The challenges were made concerning the inclusion of sexual content deemed inappropriate for school-age children."
