Objectives of committee for this conference year

In addition to having two topical discussion groups, we also needed to gather 25 signatures for our repetitioning.

Summary of Meeting

The discussion topic for Annual was ebook selection and promotion. The group looked at how are titles selected? How are they promoted? How are libraries implementing

Evaluate the committee's effectiveness in accomplishing its objectives

The discussion was very lively and there were a number of ways people had handled ebook selection in the past. Advice was sought from the group for going forward in
