Public Library Funding & Technology Access Study, 2010-2011

Discussions of urban, suburban, or rural libraries in the summary sections are indexed.
Additional data for all types of metropolitan status can be found in the data tables.

A

addition schedules. *See* workstation additions
American Recovery and Reinvestment Act (ARRA), 10
 See also Broadband Initiatives Program (BIP); Broadband Technology Opportunities Program (BTOP)
apps, availability of, 92, 94, 100
Arizona, 43
Arkansas, 44
ARRA. *See* American Recovery and Reinvestment Act (ARRA)
audiobooks, downloadable, 36, 98
automated materials handling, 91

B

bandwidth. *See* connection speeds (bandwidth)
broadband connectivity. *See* connection speeds (bandwidth)
Broadband Initiatives Program (BIP), 10, 18
Broadband Technology Opportunities Program (BTOP)
 applications for, 20 (fig B-15), 22
 in California, 89, 93
 grants from, 10, 18–19
 in Oklahoma, 96, 98, 100
 by type of project, 20 (fig B-16)
budget cuts. *See* funding sources
buildings. *See* infrastructure; space limitations
business plans, assistance with, 39
business services, 39

C

California
 background, 89–90
 challenges, 94–95
 changes, 94
 connectivity, 92–93
 decreased hours, 7
 e-book services, 37
 funding, 90–91
 overview, 89
 state funding cuts, 20
 successes, 95–96

- summary data, 45
- technology resources, 91–92
- technology support and maintenance, 93–94
- chat reference services in catalog, 92
- Chula Vista (Calif.) Public Library, 90, 94
- CIPA filtering and e-rate discounts, 17
- civil service examination materials, 9, 24, 32, 34, 39
- classes offered to users. *See* technology training
- closures of libraries, 7, 21–22
- club model for computer training, 92
- collaborations. *See* partnerships
- collection expenditures, decreases in, 21
- Colorado, 7, 20, 46
- computer hardware. *See* technology-related expenditures
- computer labs, 91, 98, 100
- computer skills. *See* technology training
- computer software. *See* technology-related expenditures
- computers. *See* workstations
- Connecticut, 47
- connection speeds (bandwidth), 29–32
 - adequacy of, 7, 9 (fig. A-2), 31 (fig C-14), 32
 - cost of upgrading, 29
 - improvements in, 24, 29–30, 29 (fig C-9)
 - by metropolitan status, 29 (fig C-10)
 - in Oklahoma, 98
 - plans to improve, 9, 25, 31 (fig C-15), 32
 - and state libraries, 22*See also* shared bandwidth between wireless and workstations
- connectivity discount programs. *See* E-rate discounts
- connectivity issues. *See* connection speeds (bandwidth)
- continuing education, support for, 35, 92
- Contra Costa County (Calif.) Library, 37, 92, 95
- costs
 - of added workstations, 9, 28
 - as challenge to provision of services, 25
 - telecommunications, 15

D

- databases, 9, 24, 32, 39, 92
- Delaware, 48
- digital reference services, 36
- digital rights management controls, 95
- District of Columbia, 21, 31, 49
- downloadable resources
 - in California, 92, 94
 - in Oklahoma, 98

See *also* audiobooks, downloadable; e-books
downtime (length of time to get computers back in service), 28–29, 28 (fig C-7), 93

E

e-book readers, access to, 24, 32, 37, 39, 92

e-books

availability of, 32, 36 (fig C-20), 37

in California, 94

in Oklahoma, 98, 100

economic depression

and reference services, 36

and technology expenditures, 15

e-government services, 38 (fig C-22), 99

assistance with, 34

challenges to helping patrons, 38 (fig C-23)

critical importance of, 9–10, 24, 32, 39

increases in, 89

only available online, 10, 99

electrical outlets, 9, 25, 28

electronic resources

availability of, 35 (fig C-19), 36–37, 39

increase in use of, 9, 24

employment information. See job-seeking services

entrepreneurs, services to, 39

E-rate discounts

applications for, 17–18, 20 (fig B-13)

libraries receiving, 20 (fig B-14)

and state libraries, 22

expenditures, type of. See operating expenditures; "other" expenditures;
technology-related expenditures

expenditures change by funding source, 17 (fig B-8)

F

facilities. See infrastructure; space limitations

federal funding, 10, 14

See *also* funding sources

federal grants for technology expenditures, 14–15

See *also* Broadband Technology Opportunities Program (BTOP)

fees for services, 96

fiber optic Internet access, 31, 89, 92, 93

Florida, 7, 50

formal training for patrons, 32, 35, 91

free access to Internet, 8–9, 24

Friends groups as alternative funding source, 95

funding cuts

- in California, 94
- in Oklahoma, 97
- trends, 7–8, 89
- funding sources
 - in California, 90
 - expenditure changes, 17 (fig B-8)
 - Friends groups, 91
 - local and county, 21, 89
 - need for alternative, 95
 - for technology expenditures, 14–15
 - total operating expenditures, 14 (fig B-2)
 - See *a/so* federal funding; state funding

G

- Gates (Bill and Melinda) Foundation, 92, 98, 100
- genealogical research classes, 36
- Georgia, 7, 20, 51
- government as funding source. See federal funding; funding sources; state funding
- government forms, assistance with, 34, 39, 99
- government information, access to. See e-government services
- grant funding
 - in California, 92
 - for technology expenditures, 14–15
 - See *a/so* federal grants for technology expenditures; funding sources
- Guymon (Okla.) Public Library, 97, 98, 99, 100

H

- hardware and IT support, 25–29
- hardware/software expenditures, 15
 - See *a/so* technology-related expenditures; workstation additions; workstation replacements
- Hawaii, 52
- home-schooling, 35
- homework help and homework resources, 36, 92
- hours of operation
 - in California, 94
 - funded by Friends, 91
 - reductions in, 7, 8, 8 (fig. A-1), 24, 25, 89

I

- Idaho, 20, 53
- Illinois, 20, 54
- Indiana, 55
- information technology expenditures. See technology-related expenditures

information technology support. See IT support
information technology training. See technology training
infrastructure, 25, 91
 See *also* connection speeds (bandwidth); electrical outlets; space limitations
Internet access
 increases in, 30 (fig. C-11)
 library as only free source, 8–9, 24
 See *also* workstations
Internet connections. See connection speeds (bandwidth)
Internet services available, 32–35, 33 (fig C-16)
Internet workstations. See workstations
Internet-based services. See e-books; homework help and homework resources
investment information, training on, 36
Iowa, 56
IT support
 in California, 93–94, 95
 by non-technical staff, 25, 29, 99
 sources of, 28 (fig C-8)
 See *also* downtime (length of time to get computers back in service)

J

job applications, assistance in completing, 34
job databases, access to, 9, 24, 32, 39
job-seeking services
 application assistance, 34
 availability of, 37 (fig C-21)
 challenges to helping patrons, 38 (fig C-23)
 critical importance of, 9–10, 24, 32, 39
 increases in, 89
 in Oklahoma, 99
 resumes and employment material, 9, 24, 34, 39
 training classes, 36
 See *also* technology training

K

K-12 education, services supporting, 32
 See *also* homework help and homework resources
Kansas, 57
Kentucky, 20, 58

L

Langley (Okla.) Public Library, 97, 99
laptops for patrons, 100

length of time to get computers back in service. See downtime (length of time to get computers back in service)
libraries, types of. See rural libraries; suburban libraries; urban libraries; *specific issues/features*, e.g., IT support
library as only provider of free Internet access, 8–9, 24
library buildings. See space limitations
Library Services and Technology Act (LSTA), 89, 90, 94, 95
literacy services, cuts in, 21
local/county funding sources, 21, 89
 See *also* funding sources
Louisiana, 59
LSTA (Library Services and Technology Act), 89, 90, 94, 95

M

Maine, 20
maintenance and support issues. See downtime (length of time to get computers back in service); IT support
Maryland, 60
Massachusetts, 61
materials budgets, cuts in, 21
Medicare information, 10, 39
metropolitan status. See rural libraries; suburban libraries; urban libraries; *specific issues/features*, e.g., IT support
Miami (Okla.) Public Library, 97, 98, 99
Michigan, 7, 20, 62
MidYork Library System (Utica, N.Y.), 21
Minnesota, 63
Mississippi, 64
Missouri, 65
mobile applications, availability of, 92, 94, 100
mobile computer labs, 91
Montana, 66

N

Nebraska, 67
netbook computers, 24, 32, 39, 91
