Books & Beyond is a monthly Library news and information publication sponsored by the Friends of the Library.
April brings National Library Week, the one time during the year we pause to celebrate the value of libraries to the community. At the Orange County Library System, we are always looking for ways to enhance what we offer to residents of the library district, and it is our pleasure to be of service. We invite you to celebrate libraries with us, and offer you many ways to do so.

In honor of National Library Week, we are hosting a sale in Gifts & Greetings on the first floor of the Orlando Public Library. The prices are slashed on many items, and it’s a great time to find bargains on jewelry, gifts and more. It’s also a great time to join the Friends of the Library. We have a membership drive going for National Library Week. If you join the Friends or update your current membership, you’ll be entered in a drawing to win fabulous prizes. See page 15 for details.

Or simply shop at the beautiful Whole Foods Market at Phillips Crossing on Turkey Lake Road on Thursday, April 15 and 5% of all sales come back to the library system to support our Summer Reading Program. A great corporate citizen, Whole Foods has joined forces with OCLS to celebrate National Library Week and support student education. Shop during the dinner rush from 3 – 6 p.m. and the atmosphere will be extra festive with our mascot “Squirt” on site and face painting for the kids.

National Library Week isn’t the only thing celebrated this month. Sunday, April 4 is Easter and as a reminder, all Orange County library locations will be closed for the holiday. We wish you a joyous holiday as we usher in spring, and a whole new season of terrific offerings at the library.

To help us celebrate National Library Week, Whole Foods Market at Phillips Crossing (8003 Turkey Lake Rd.) is sponsoring a 5% Day to benefit the library system on Thursday, April 15. All you have to do is shop at the store on April 15 and 5% of all profits will come back to the Orange County Library System to support our Summer Reading Program.

Now that’s a good reason to treat yourself to fresh produce, an expansive array of prepared foods, fresh seafood and freshly cut meats. Also find gourmet items aplenty including artisanal breads, meats and cheeses as well as an extensive wine selection.

Even more, there will be face painting for the kids and visits from the library’s mascot “Squirt” between 3 and 6 p.m.

Go to www.wholefoodsmarket.com/stores/orlando before heading to Whole Foods and download a copy of the store specials. Plan your purchases and shop for a cause.

For National Library Week, the Orange County Library System (OCLS) invites you to become a member of the Friends of the Library and be entered into a drawing for amazing prizes. Current members who upgrade their membership will also be entered.

www.oclsfriends.info/folmembershipapp.html

Eligibility:
Must join or upgrade membership between March 10 and April 17 to be eligible. A random drawing will be conducted during National Library Week which runs April 11 – 17. Winners will be notified by April 23.

* OCLS employees and their immediate family members are not eligible. Prizes are non-transferrable.
All classes have recommended prerequisites. To register for a class at any location, go online to www.ocls.info or call 407.835.7323. When registering, please be sure that you meet the suggested prerequisites for the class.

Computer classes are free to Orange County Library District resident cardholders, fee cardholders and O.C. Property Owner cardholders. Others may attend by paying a $10 non-refundable fee at time of registration prior to class time. A $5 no-show fee will be assessed if cancellation is not made at least 24 hours in advance. Registration is required. Classes at the Orlando Public Library are held in the Computer Resource Center (CRC) on the second floor of the library.
