The Complete Library Trustee Handbook

ALTAFF Executive Director Sally Gardner Reed draws on her years of success as a library director and executive director of Friends of Libraries U.S.A. to provide Trustees with straightforward, easy-to-read guidance on how to make the most of their vital role. She guides readers through important issues such as sustainable fundraising and advocacy, strategic planning, director-Trustee collaboration, and policy development. Readers of *The Complete Library Trustee Handbook* will be brought up to speed on board effectiveness, board ethics issues, conflicts of interest, and efficient meeting management. A chapter on key issues for libraries addresses intellectual freedom, user privacy, pay equity for library workers, privatization of public libraries, and funding. **ALTAFF Member Price: \$35.00; Non-Member Price: \$60.00 (order through Neal-Schuman)**

Even More Great Ideas for Libraries and Friends

The first edition of this breakthrough book was a huge success, so Friends of Libraries U.S.A. (now ALTAFF) collected 101+ more terrific ideas and best practices to help you and your team connect with your community. Following an introduction which sets the stage for effective library/community partnerships, you'll discover ideas for innovative programs, successful fundraising, strategic advocacy, powerful public relations, memorable membership campaigns and more. As in the first book, each idea is presented with practical instructions, graphics, and implementation tools so you can adapt these programs successfully and creatively to match your library's specific needs and opportunities. **ALTAFF Member Price: \$40.00; Non-Member Price: \$74.95 (order through Neal-Schuman)**
