Fall Executive Committee Meeting October 25-26, 2014, Chicago

Topic: 2014 – 2015 Strategic Committee Task List Update

Background: Just prior to the 2014 Annual Conference the Board approved the

development of an annual task list for strategic committees and advisory boards based on the Action Plan, and charged the Executive Committee with developing the list. The list was developed in June and shared with Committee Chairs in July. Chairs submitted reports in Aug. updating the board on their progress so far. The Executive Committee may want to discuss how committees and advisory boards are progressing with their tasks and whether or not any assistance is

needed.

Action Required: Discussion

Please see the next page for the task list.

2014 – 2015 Task List for YALSA Process Committees & Advisory Boards

About the Strategic Plan:

This task list is based on YALSA's Strategic Plan, which can be found at: http://www.ala.org/yalsa/aboutyalsa/strategicplan. It should be noted that tasks listed below for specific groups could be modified during the year, based on Board decisions, group input, etc.

Strategic Plan Goals:

- Advocacy & Activism: Teens and young adult services within all libraries are highly valued as a result of YALSA's advocacy and activism efforts.
- Research & Best Practices: YALSA is a recognized source for access to targeted research and best practices relating to teen and young adult library services.
- Continuous Learning and Professional Development: YALSA members and those in the library community who work for and with teens and young adults have the knowledge and skills they need to effectively serve them.
- Member Recruitment & Engagement: YALSA is a stronger organization because of increased member engagement in the mission and work of the organization, and because more individuals in the library community see the value of membership and make a commitment to join YALSA.
- Capacity Building: YALSA has the resources it needs to fully support and fund projects relating directly to its mission and strategic plan.

The road map which details the activities needed to accomplish the goals is the Action Plan, which is at http://ow.ly/wFVSr (.pdf)

Implementing Tasks:

- Chairs need to develop and implement their own detailed timeline and work plan in order to facilitate the completion of the work laid out in the task list. Resources to help with this are on the Chair Wiki http://wikis.ala.org/yalsagroups/index.php/Chairs, or chairs can consult their Board Liaison
- Chairs are empowered to delegate work to their committee members and set deadlines for them to accomplish the work.
- Chairs are also empowered to work with their board and staff liaisons to obtain more detailed information about the tasks listed below and to resolve questions and concerns about the tasks or related committee work through them.

- Chairs are encouraged to take advantage of YALSA's communication channels to raise awareness about their group and/or to promote their work: www.ala.org/yalsa/aboutyalsa/yalsahandbook/marketingformembergr
- Chairs must be sure to keep a record of documents, accomplishments, unfinished tasks, etc. and make them available to future chairs of the committee/advisory board by posting them to the group's space in ALA Connect before the end of their term.
