The ALA Future Fund is the ALA Unrestricted Long-Term Investment Fund and is made up of gifts, bequests, life memberships and other sources received over the years; this Fund was formerly called the Board-Designated Endowment.

A.6.5.1 Long-Term Investment Funds: Association’s Use/Withdrawal and Repayment (Old Number 8.5.1)
In the preparation of the ALA annual budget, the ALA Executive Director is authorized to include a payout rate of 3% - 5% of the five-year trailing calendar quarterly (20) rolling average of the net asset balance of the ATA Future Fund. Additionally, the Executive Directors of the Divisions and the liaisons for the Round Tables and others responsible for endowment funds are authorized to include in the preparation of their annual budgets, the anticipated payout value as provided by the Finance department. The payouts will be subject to any donor restrictions related to a particular fund and will be made from allowable temporarily restricted and unrestricted net assets. Additionally, the annual payout rate (3% - 5%) will be reviewed, determined and recommended by the ALA Endowment Trustees and the Finance and Audit committee of the ALA Executive Board, with final approval by the ALA Executive Board.
