

ACRL Instruction Section

Partners in Progress: Using Campus Partnerships to Promote Information Literacy ALA Annual Conference – June 17, 2001 – San Francisco

Panelists

Dr. Larry Hardesty, Library Director, Austin College

Dr. Sally Murphy, G.E. Coordinator, California State University, Hayward

Patricia Iannuzzi, Associate University Librarian & Director, Doe-Moffitt Libraries, University of California, Berkeley

Information Literacy Documents

- Information Literacy Competency Standards for Higher Education, <http://www.ala.org/acrl/ilcomstan.html>
 1. The information literate student determines the nature and extent of the information needed.
 2. The information literate student accesses needed information effectively and efficiently.
 3. The information literate student evaluates information and its sources critically and incorporates selected information into his or her knowledge base and value system.
 4. The information literate student, individually or as a member of a group, uses information effectively to accomplish a specific purpose.
 5. The information literate student understands many of the economic, legal, and social issues surrounding the use of information and accesses and uses information ethically and legally.
