

If you need to save
your place,
stick a bookmark in
that space.

Keep your books
clean and neat,
away from all you
drink and eat.

Lessons
from
The Shelf Elf
By
Jackie Mims Hopkins

Turn the pages
with great care,
leave them whole
without a tear.

Keep books safe
and out of view,
from little ones and
dogs that chew.

Brought to you by
the
Preservation Directorate
and
The Center for the Book
at the
Library of Congress
