

LITA Programming Archive Arranged Chronologically

26-Feb-01

Date	Sponsor	Program Title	City
20000710	Secure Systems & Services	Distributed Authentication Architectures	Chicago
20000710	Leadership Development	Mentoring: Developing Future LITA Leaders	Chicago
20000710	Internet Resources IG	Library Web Sites: The Next Generation	Chicago
20000710	Geographic Info Systems	GIS on Location: Best GIS Practices in Libraries	Chicago
20000710	LITA	President's Program : Data Smog	Chicago
20000709	Telecommunications IG	Handheld Computers (PDAs): Present and Future Possibilities	Chicago
20000709	Publications Comm.	Your Name in Print: Publishing w/LITA	Chicago
20000709	E-Publishing/E-Journals IG	Ebooks, Epaper, Eink: How they work, what is the status and impact on libraries	Chicago
20000709	Distance Learning IG	Distance Learning Abroad - Challenges/solutions to digital library services to foreign countries	Chicago
20000709	Leadership Dev/Membership	Meet LITA	Chicago
20000709	Human Machine Interface IG	People Count: User-Centered Interface Design	Chicago
20000709	Top Tech Trends	Top Technology Trends Discussion w/LITA Experts	Chicago
20000709	Emerging Technologies IG	LINUX - Are Open Operating Systems Really Free?	Chicago
20000708	Tech & the Arts	Visual Literacy: What it is: Teaching Strategies & Innovative Technology	Chicago

Date	Sponsor	Program Title	City
20000708	Telecommunications IG	Distance Education for Library Professionals	Chicago
20000708	Microcomputer Users IG	Operating System Shoot-out	Chicago
20000708	Imagineering IG	Information Technology in the Next Millennium: A Sci-Fi Perspective	Chicago
20000708	Open Source System IG	Practical Solutions for Libraries: One Source Software	Chicago
20000708	Tech & Access Comm	Lifelong E-Quality: Access for Children and Seniors	Chicago
20000707	Tech Issues of Digital Data	Precon: Digital Libraries & Digital Imaging: The Big Picture	Chicago
19990628	LITA	LITA/President's Program: The Death of Distance	New Orleans
19990628	Technical Services Workstations IG	Macro Magic: Designing Effective Macros for Technical Services Workstations	New Orleans
19990628	Leadership Development Committee	How to Manage Discussion of Technological Issues	New Orleans
19990628	Electronic Publishing/Elec. Journals IG	Formats for Electronic Publishing: Decisions and Trends"	New Orleans
19990627	Technology in the Arts IG	Digital Arts Salon	New Orleans
19990627	Emerging Technologies IG	Bytes without Wires: Wireless LANS and WANS in Libraries	New Orleans
19990627	Geographic Information Systems IG	Where Minorities are the Majority: Utilizing GIS and New Technologies to Improve Performance Measures in Majority-Minority Library Markets	New Orleans

Date	Sponsor	Program Title	City
19990627	Leadership Development/Membership Committee	Meet LITA	New Orleans
19990627	Consortia/Automated Systems IG	Who Owns Authority Control	New Orleans
19990627	Intelligent and Knowledge Based Systems IG	Next Generation Intelligent Systems for Indexing and Retrieval - Beyond Boolean and Relevance Ranking	New Orleans
19990627	Distance Learning IG	Inform, excite, engage patrons: Web Authoring and Multimedia Approaches to Serve Distance Patrons	New Orleans
19990626	Microcomputer IG	Myths & Realities: Networked Computers & Platform Independence	New Orleans
19990626	TESLA	ILL Fulfilling the Promise of Z39.50: Why the ILL Standard is Important to you	New Orleans
19990626	Imagineering IG	The Usefulness of Reading Science Fiction to Predict Technological Developments	New Orleans
19990626	Distributed Systems & Networks IG	Aggregating the Aggregators: Delivering the Digital Library to the End User	New Orleans
19990626	Program Planning Committee	The Connection: Technology Vendor Showcase	New Orleans
19990626	Internet Resources Interest Group	Internet Resources for Distance Learning: Tools for Development and Support	New Orleans
19990625	Electronic Pub/Elec Journals IG	Precon: Making Sense of Digital Identifiers for Internet and Other Online Applications	New Orleans
19980629	LITA	LITA/President's Program: Internet2: Beyond the Net We Know	Washington, DC

Date	Sponsor	Program Title	City
19980629	Distributed Systems IG/Co-Sponsors: Secure Systems/Programmer Analyst IG	New Technologies for User Authentication	Washington, DC
19980629	Vendor/User IG	Development Partnerships: Libraries and Vendors Working Together for Product Development	Washington, DC
19980629	Publications Committee	Publish! Perish the Thought: Kickstarting your Writing with LITA	Washington, DC
19980629	Artificial Intelligence/Expert systems I.G/Co-sponsor: Human/Machine Interface I.G.	Knowledge Visualization: A Picture is Worth a Thousand Words	Washington, DC
19980628	Electronic Publishing/Electronic journals	Digital Object Identifiers: Impacts, Costs and Concerns	Washington, DC
19980628	Geographic Information Systems IG	Social Research and Geographic Information Systems: Applications for the Library	Washington, DC
19980628	Microcomputer Users	Bomb Proofing Your Public Access PCs	Washington, DC
19980628	Authority Control in the Online Environment	Metada and Authority Control	Washington, DC
19980628	Tecnology and the Arts/Co-sponsor: ACRL Arts	The MESL Experience: Museum Digital Images in the Classroom	Washington, DC
19980628	Leadership Development Comm./Membership Committee	Meet LITA	Washington, DC
19980627	Program Planning Committee	The Connection - Technology Vendor Showcase	Washington, DC

Date	Sponsor	Program Title	City
19980627	Programmer/Analyst IG	Configuring Z39.50 Clients Servers: A View from the Trenches	Washington, DC
19980627	Leadership Development Committee	More Than Just a Living Listserv: A LITA Workshop on Effective Meetings"	Washington, DC
19980627	Internet Resources IG	Education Training and support Committee "Critical Skills for Evaluating the Web and Virtual Library Sites"	Washington, DC
19980627	Imagineering I.G.	Is There a Place for Imaginative Thinking?	Washington, DC
19980627	Research Committee	R & D Showcase III	Washington, DC
19980626	Program Planning Committee	Presentation Software Skills for Effective Programs	Washington, DC
19980626	Emerging Technologies I.G.	Managing and Deploying Microsoft NT and Related Technologies in Libraries	Washington, DC
19970630	President Program (co-sponsor ALSC)	Children, Literacy, and the Computer	San Francisco
19970630	Vendor/User IG	Facing the Web Transition	San Francisco
19970630	CALM IG	Developing CGI Applications for the WWW	San Francisco
19970629	Imagineering IG (co-sponsoring with ACRL Law and Political Science Section)	Politics of the Information Future	San Francisco
19970629	Emerging Technology IG	Thin Clients and Network Computers, Emerging Paradigms	San Francisco
19970629	Geographic Information Systems IG	Accessing Spatial Data and Services: Case Studies	San Francisco

Date	Sponsor	Program Title	City
19970629	Library Consortium/Automated Systems (co-sponsor: Public Library Association)	Consortial Purchase of and Access to Reference Databases and Associated Full Text	San Francisco
19970629	LITA/ALCTS Retrospective Conversion	The Unconvertables: Planning and Implementing Specialized Retrospective Conversion Projects	San Francisco
19970629	Telecommunications IG	Telecommunting and the Remote Work Site	San Francisco
19970629	Artificial Intelligence/Expert Systems	Bringing Order out of Chaos	San Francisco
19970629	Microcomputer User IG (co-sponsor: LITA Distant Learning IG)	The Distant Library-Beyond the Internet OPAC	San Francisco
19970629	Technology in the Arts	Using Cultural Materials in an Interactive and Instructional Environment: High Tech and Low Tech Issues	San Francisco
19970629	Authority Control in the Online Environment (LITA/ALCTS)	How in the World do you Spell Brasil: The Glovalization of Authority Control	San Francisco
19970629	Leadership Development	Meet LITA	San Francisco
19970628	Research Committee	R&D Showcase-II	San Francisco
19970628	Education Committee/(co-sponsors: Vendor User/Distance Learning IG)	Life Long Learning for Librarians: Updating your Technical Skills	San Francisco
19970628	Program Planning Committee	Automation Product Review	San Francisco

Date	Sponsor	Program Title	City
19970628	TESLA Committee (co-sponsors: LITA International Relations Committee and MARBI/ALCTS/LITA/RUSA Committee and MARC Formats IG	Beyond the English Catalog: Unicode R and You	San Francisco
19970628	Technology and Access (co-sponsor: RUSA Machine-Assisted Reference Section	Universal Access Tomorrow: Silicon Valley Meets the Library	San Francisco
19970628	Internet Resources IG	Web Access to Databases: Technical Possibilities and Their Impact on Library Services	San Francisco
19960708	President's Program	Access Denied: Affects of Censorship, Copyright and the Network Culture on Electronic Access to Information	New York
19960708	Microcomputer Support of Technical Services (LITA/ALCTS)	Online Documentation for Technical Services: From Cataloger's Desktop to the Electronic AACR2	New York
19960708	Technology in the ARTS (LITA/ACRL)	Museum Education Site License Project	New York
19960708	Vendor/User IG/Serials Industry Systems Advisory Committee (SISAC)	Forging New Links Between Users and Full Text: Multi-Faceted Solutions	New York
19960707	Artificial Intelligence/Expert Systems	Expert Systems World Wide Web	New York
19960707	Emerging Technologies IG	Java and Beyond: Internet Software Development	New York
19960707	Geographic Information Systems IG	Spatial Metada: A Librarian's Perspective	New York

Date	Sponsor	Program Title	City
19960707	Retrospective Conversion (LITA/ALCTS)	Database Cleanup After Retrospective Conversion	New York
19960707	Leadership Development Committee/Membership Committee	Meet LITA: Orientation for New members and Future Leaders	New York
19960707	Library Consortia/Automated Systems	Automation through Consortia-- The Best Way: The Why's and the How To's Small to Medium Sized Librarians of All Kinds	New York
19960707	Microcomputers Users Interest Group/CALM/Emerging Technologies IG/Internet Resources IG	World Wide Web Servers and HTML	New York
19960707	YALSA/LITA	Mind Food: Serving the Young Adult Science Fiction and Fantasy Reader	New York
19960707	Authority Control in the Online Environment, (LITA/ALCTS) ALCTS Cataloging and Classification Sections, Subject Analysis Committee	Subject Authorities in the Nineties	New York
19960706	Program Planning Committee	Automation Products Review	New York
19960706	Online Catalog IG/RASD, MOPPS, Catalog Use Committee	The Transformation of the Online Catalog	New York
19960706	Optical Information Systems IG	Digital Cookbook: Scanning the Horizon for Doable Small Projects	New York
19960706	International Relations Committee	The Development of Library Technologies in Asia	New York

Date	Sponsor	Program Title	City
19960706	Research Committee	Information Technology: R&D in the Real World	New York
19950627	Artificial Intelligence/Expert Systems & Human/Machine Interface IGs	Beyond Boolean: Advanced Interfaces to Information Database	Chicago
19950626	Technology and Access Committee & Human Machine Interface IG	Telecommunications, Access and Friendliness: Internet Graphical User Interfaces	Chicago
19950626	President's Program (co-sponsor ACRL)	The Life of the Mind in the Twenty-First Century	Chicago
19950626	Vendor/User IG	Copyright Tracing of Electronic full Text: Issues and Answers	Chicago
19950626	Microcomputer Support of Technical Services IG	Online Classification: The Time has Come!!	Chicago
19950626	CALM IG	Now What?: Designing and Implementing Multimedia Applications for Libraries	Chicago
19950625	Emerging Technologies & Programmer/Analyst IGs	The Component Software Revolution	Chicago
19950625	Retrospective Conversion (LITA/ALCTS) IG	Retrospective Conversion: Basics and Overview	Chicago
19950625	Small Integrated Library Systems IG	Internet Access for Small Libraries: On-Ramps for the Rest of Us	Chicago
19950625	Leadership Development Committee	LITA Orientation	Chicago
19950625	Imagineering IG	The Information Future	Chicago

Date	Sponsor	Program Title	City
19950625	Microcomputer Users IG	World Wide Web Client: How to Obtain and use Them	Chicago
19950625	Authority Control in the Online Environment IG	Authority Control in an Integrated, Archive, Library and museum Information Environment	Chicago
19950624	MARC Holdings IG	MARC Holdings Format for Holdings Data: An Implementation Status Report by Local System Vendors Utilities	Chicago
19950624	Program Planning Committee	Automation Products Review	Chicago
19950624	Optical Information Systems IG	Practical Optical: Successful Imaging Projects Revealed	Chicago
19950624	International Relations Committee	The European Union, Libraries and Technology	Chicago
19950624	Library Consortia/Automated Systems IG	Library Consortia in the 90s: Automation Models for Today and Tomorrow Online Catalogs	Chicago
19950624	TESLA	SGML: Creating & Delivering Electronic Documents	Chicago
19940628	Geographic Info Systems IG	Geographic Information Systems: A New Service	Miami
19940627	Vendor/User IG	Beta Testing: The Vendor/User Partnership	Miami
19940627	LITA	Applications of Digital and Supercomputing technology in the Arts and Literature	Miami
19940627	President's Program	Action for Access	Miami
19940626	Optical Information Systems IG	Film to File: Moving from Microfilm to Electronic Formats	Miami
19940626	Desktop Publishing	Using DTP and Graphic Design to Improve Library Publications	Miami

Date	Sponsor	Program Title	City
19940626	Online Catalog IG	Images in Your OPAC: Online Access to Public Library Print and Picture Collections	Miami
19940626	Optical Information Systems IG	Access to Digital Images	Miami
19940626	LITA/ALCTS Authority Control I IG	Artificial Intelligence & Authority Control: Together at Last?	Miami
19940626	Education Committee	Basic Telecommunications for Librarians	Miami
19940626	Imagineering IG	The Information Future	Miami
19940626	LITA/ALCTS Retrospective Conversion IG	Retrospective Conversion of Serials and Local Holdings	Miami
19940626	CALM IG	Creating Customized Applications Using program Applications for Library Microcomputers	Miami
19940625	Online Catalogs IG (Co-sponsor)	Building Bridges: Effective Communication of End-User Needs to Electronic Library System Designers	Miami
19940625	TESLA	Z39.50: Implementation & Impact	Miami
19940625	LITA	Children and Technology: An Array of Possibilities	Miami
19940625	International Relations Committee	International Networking and Resources Sharing	Miami
19940625	Telecommunications IG (co-sponsor)	Virtual Patrons? Issues in Networked Library Services	Miami
19940625	Small Integrated Library Systems IG	Shared Systems for Small Libraries: How to Automate Together	Miami
19940625	Program Planning Committee	Automation Products Review	Miami

Date	Sponsor	Program Title	City
19940624	Emerging Technologies IG	Wrestling with the Future: Decision-Making Strategies for Electronic Information Resources	Miami
19930628	CALM IG	Off the Shelf and Into Productivity: Making Your Software Work for You	New Orleans
19930628	AI/Expert Systems IG	Knowledge Acquisition: Eliciting Human Expertise for Building Expert Systems	New Orleans
19930628	President's Program	Looking Forward: The Next 25 Years in Library and Information Technology	New Orleans
19930627	Program Planning Committee	Automation Product Review II	New Orleans
19930627	Library Consortia Automated Systems	Strategies for Meeting the Connectivity	New Orleans
19930627	Optical Information Systems IG	CD-ROM Interoperability	New Orleans
19930627	Retrospective Conversion IG	Retrospective Conversion for Nonprint Media	New Orleans
19930627	Serials Automation IG	Electronic Document Delivery	New Orleans
19930627	Small Integrated Library Systems IG	So You Want to Automate Your Library? Two Crucial Steps for Small Libraries: Plan & Fund	New Orleans
19930627	Imagineering IG	Future Possibilities in Information Technology and Access	New Orleans
19930627	Emerging Technologies IG	The Emerging Client Industry	New Orleans
