

Youth Program Quality Improvement (YPQI)

Why YPQI?

YPQI: The Process

Assess

Plan

Improve

Assess:

Quality assessments

Plan:

Team based improvement planning with data

Improve:

Instructional coaching for staff by site leaders

Targeted staff training for instructional skill building

YPQI: Continuous Process

Staff receive training on methods to improve program quality.

Location staff assess current program via self-assessment and external assessment followed by a scoring meeting.

Site staff plans improvement strategy based on the assessments. Staff understand what to improve and how to improve based on the training.
