

Bibliography

Early Cartographic Materials

The following are examples of the sorts of works which are useful in cataloguing early cartographic materials and is not intended to be exhaustive. Rather it includes works to which I have access in our library. Samples of world as well as national and regional cartobibliographies are included to indicate the breadth of resources available. You will no doubt add to this list as you find works pertinent to your own collection.

Cartobibliographies

The A.E. Nordenskiöld Collection in the Helsinki University Library : annotated catalogue of maps made up to 1800 / compiled by Ann-Mari Hickwitz and Leena Miekkavaara. [Helsinki] : Helsinki University Library ; Atlantic Highlands, N.J. : Humanities Press [distributor], 1979-1995.
