   Kratz moved to approve the meeting minutes from January 6, 2021. Helmick seconded. The motion carried, and the committee voted to approve the minutes.

V. DISCUSSION OF RESOLUTIONS
   Wanda Huffaker
   A. Resolution in Opposition to Facial Recognition Software in Libraries
   B. Resolution on the Surveillance of Library Users Through Behavioral Tracking
   C. Resolution in Support of Broadband as a Human Right
D. Resolution to Condemn White Supremacy and Fascism as Antithetical to Library Work

E. Resolution to Embed Carbon Offset Fee in Registration Fees for all ALA and Division Event Attendance

F. Resolution on replacing the Library of Congress Subject Heading "Illegal aliens" with "Undocumented immigrants"

G. Resolution to Classify Library Workers as 1b Essential Workers to be Listed as a Priority Workforce in Receiving the COVID-19 Vaccine

Barnaby moved that we endorse resolutions A through C in principle. Hartman-Caverly seconded. The motion passed with one abstention and none opposed.

Discussion briefly moved to the two resolutions added to this list through email (F and G above), until Knox inquired whether we planned to discuss resolutions D and E. Barnaby moved that we open discussion on resolutions D and E. Hartman-Caverly seconded. A lengthy conversation ensued, with a lot of emphasis on the concept of neutrality, included in a “whereas” in the resolution. Taking a stance for intellectual freedom is not neutral.

Kratz moved that we endorse resolution D in principle. Roopnarine seconded. There was additional discussion until we decided to vote in the chat. The motion passed: 11 ayes, 2 abstentions, none opposed.

We did not move to endorse resolutions E through G.
