VOTED, That the ALA Council approves the following Resolution:

Equal Opportunity for Women in Librarianship:

WHEREAS, equal opportunity for women is a growing concern in American Society; and
WHEREAS, within librarianship where women represent the majority, the issue is particularly relevant; and
WHEREAS, statistics show that women librarians typically earn lower salaries than men and are underrepresented in top-level positions in libraries; and
WHEREAS, the underutilization of this talent and education wastes needed professional resources and assaults our sense of human dignity;
THEREFORE, BE IT RESOLVED, That the American Library Association should take steps to equalize salaries and opportunities for employment and promotions.
