

RESOLUTION COMMENDING BOOKLIST FOR
ITS EFFORTS ON BEHALF OF FEMINIST
PRESS MATERIALS

WHEREAS, feminist presses are a growing part of the publishing world; and

WHEREAS, feminist presses provide information for women and men not readily available elsewhere; and

WHEREAS, book reviewing sources and libraries have tended to ignore these materials;

THEREFORE, BE IT RESOLVED that the SRRT Task Force on Women commends Booklist for its efforts this year to review feminist press books on a regular basis.
