RESOLUTION ON SIGN LANGUAGE INTERPRETERS - Exhibit 20 (p. 267). Councilor Susan Haskin (ASCLA), in presenting the Resolution, pointed out that the policy as presently stated, automatically provides interpreters at Council and Membership Meetings, and the change recommended requests that the Library Service to the Deaf Section would determine in the future what meetings of ALA's Annual Conference and Midwinter Meetings would be signed, using information compiled from pre-registrations. Gerald Shields, Chair, COPES, stated that the Resolution as presented would not increase a significant amount of burden on the conference budget, and would probably more fruitfully direct the signing to those programs that those people need. On motion by Councilor Haskin, seconded by Councilor Robert Garen, and without dissent, Council ADOPTED the Resolution which rescinds the current Policy on Sign Language Interpreters at meetings and restates it as indicated in Exhibit 20.

TRIBUTE TO RALPH A. ULVELING - Exhibit 21 (p. 268). On motion by Councilor Robert Garen, by ACCLAMATION, Council after hearing the Tribute to the late Ralph A. Ulveling, ALA President 1945-46, BY A RISING VOTE AND MOMENT OF SILENCE. The Resolution was seconded by Councilor Susan Haskin.

(2) RESOLUTION ON NATIONAL FAMILY SEX EDUCATION WEEK (submitted by Bruce E. Daniels, and Mary K. Chelton), which states: Whereas, much of the fundamental education

of the child occurs within the family, parents should be the primary sex educators of their children; Whereas, the family should be given community support in this vital area of parenting to improve the quality of family life; Whereas, parents and potential parents should be aware of the resources which provide needed information to assist them in the sex education of their children; and, Whereas, the purpose and commitment to strengthen the American Family are reflected in National Family Sex Education Week; Therefore, be it Resolved, That the American Library Association recognizes October 5 through 11, 1980 as National Family Sex Education Week, and urges libraries to commemorate this week and support family sex education. (ADOPTED without dissent).

(4) RESOLUTION ON AVAILABILITY OF SELECTIVE SERVICE INFORMATION IN LIBRARIES (MD 20) which states, Whereas the selective service registration is in effect, Therefore be it Resolved, That librarians should have available information on the full range of alternatives within and without the military services for those young persons who are facing the prospect of conscription. (Policy) (Adopted without dissent).

On motion by Norman Horrocks, seconded by President Elect Sullivan, Council voted to extend the adjournment hour until 4:30 P.M. or the completion of the agenda.
