

SRRT Statement on the APALA Statement Against Anti-Asian Violence

The ALA Social Responsibilities Round Table is in solidarity with the Asian/Pacific American Librarians Association in recognizing and strongly condemning the rise in anti-Asian hate crimes that have caused deep harm to Asian, Asian American, and Pacific Islander communities over the past year. We pledge to join forces with APALA in our commitment to battling discrimination, xenophobia, and white supremacy.

Sincerely,

The Action Council and Members of the Social Responsibilities Round Table.

SRRT description

Founded in 1969, the Social Responsibilities Round Table is the American Library Association's largest round table, over 2,000 ALA members committed to promoting progressive priorities and to helping solve social problems and inequities within the Association, the profession and in the broader community.
