

Virtual Gaming Programs: Resources for Fighting Social Isolation with Gaming

Presented at ALA Midwinter 2021 - Monday, January 25, 2021 @ 10am Central

Description: Libraries across the world are utilizing virtual gaming tools like never before. In 2020 we saw the dramatic rise of virtual escape rooms, Animal Crossing events, virtual role playing, and board game programs. GameRT members will discuss some ideas and tools that make hosting virtual gaming events a breeze. We will also be joined by an industry professional to discuss some of the changes in gaming and share the gaming industry's outlook for the future.

Panel:

- **Dan Major**, dmajor@orionlibrary.org, Adult Services Librarian, GameRT Board of Directors
