

GODORT Technology Committee
May 28, 2020
Minutes

Attending: Suzanne Reinman, Lora Amsberryaugier, Monifa Carter, Samantha Hager

Review GMAIL login: Some members are having difficulty accessing the Gmail account. Lora will look at security settings and see if phone recovery setting can be removed. Samantha will take a look at the account settings in place for her State Publications Library Gmail account and share with group.

Review committee assignments

A document with assignments is on Google Drive:

<https://docs.google.com/spreadsheets/d/1WA2osHabiv7FgnBgTWyIIFhiHrXOubWLzUCxMUQbeg/edit?usp=sharing>

Ghost box on GODORT website. An empty box is showing on the GODORT home page in FireFox but not Chrome. Samantha will login and try to fix.

ALA annual/GODORT Virtual Meeting schedule: Our meeting will be Tuesday, June 30th from 10am -11am Central time.

Remaining PPM items: Lora will check with Susanne Caro on who controls access and account creation for the GODORT LibGuides.

Posting and Archiving Webinars:

Recordings from GODORT webinars should be posted on the GODORT YouTube channel and posted onto the Webinar section of the GODORT site. If the ALA website has file-size restrictions that prevent the files themselves from being posted, links to the YouTube channel could be used instead. There was a discussion on how the videos might be archived. Amazon web services does backup/archiving at reasonable prices. Lora will investigate further.
